Identification number: C00207993

Reference: Amended July Quarterly report (4/1/07 – 6/30/07) dated 07/26/07

Dear Ms. Palmer,

We have amended the above referenced filing to update the 3Z-1 report reflecting our Primary 2008 and General 2008 income. Due to a software issue with our reporting program, the numbers reflected in the attached amendment were not properly pulling on to the 3Z-1 form.

Please find that the Schedule A report and form 3Z-1 properly reflect our activity for the 2008 election cycle.

If you have any further questions, you may contact me at 703-430-6635.

Sincerely,

Steven D. Ralls
Treasurer
